

Ukrainians fleeing to Canada are becoming homeless or going back because of the lack of support they have received by all levels of government.

We need your help to continue growing the support being offered by local communities. This is where it makes the most difference. There is no time to wait.

UKRAINIAN SUPPORT

BUILDING NETWORKS ACROSS ONTARIO for a Brighter Future

(CUAET Visa) are not categorized as refugees, they do not receive the same housing or financial support.

1,200,000 have applied, fewer than 200,000 have arrived & the last date of entry is March 31st, 2024

We are seeking your help to prevent them from becoming homeless & to help them create a life in Canada

March
2022

40% Emergency & Short-term Housing

37% Staffing & Administrative Costs

9% Host Financial Support

6% Children's Summer Camp

6% Food, Clothing & Essentials

+ An unmeasurable amount of money spent by individuals; supporting the families they have met through our network

We are thankful for our community partner, Kitchener-Waterloo Multicultural Center, a registered charity, who accepts donations on our behalf & issues tax receipts (#118987601RR0001) Donations must be through our website or by cheque, with our name in the memo section

GRASSROOTS RESPONSE TO THE UKRAINIAN CRISIS

COMPANY PROFILE

*Help expand our
network across Ontario*

OUR STORY

We are a volunteer-led organization founded in Waterloo Region, Ontario following Russia's invasion of Ukraine. We are your next-door neighbours, co-workers, friends, & family, united by a shared desire to support Ukrainian newcomers

OUR VISION

Our vision is for there to be Ukrainian communities built up across Ontario where employment, housing & social support is available.

Our mission is to bring people, service clubs, religious institutions, municipalities, & businesses together to build a more vibrant community.

OUR GROWTH

Since March, 2022 we have grown from one person with an idea to having a full-fledged network of more than 8300 volunteers & four paid staff, who are Ukrainian newcomers only themselves

OUR SERVICES

Housing: Connecting newcomers with hosts & landlords as well as opening & managing short- & medium-term housing.

Social & Employment Support: Partnering with local businesses, service clubs, & individuals to secure employment & provide community support

Essentials: Creating kits of food, clothing, hygiene & household items as well as assisting with translation, documentation, & other emerging needs

WHY SUPPORT US?

We are not funded by the federal or provincial government. We have been able to do what we have with limited funds but a massive amount of community energy.
